1. Minutes of Last Meeting

1.1. None from last meeting.

2. New Player Re-Handicaps

The list of New player re-handicaps was passed round. The site will be updated.

3. Scorecards

Most teams had been given more scorecards, the few remaining will receive in the next week or so.

4. Individual Merit Format/Sponsorship

The meeting considered the format of the Individual Merit. It was agreed that this be decided with the Delegates group given the following guidance:

If the number of entries are low (say 8) then consider running as a Saturday or Sunday afternoon event, this season at Newton Cons, otherwise run as other events on home drawn tables as per the other Individual comps.

Should the entries not reach 8 then consider not running the event.

5. AOB

5.1. It was agreed to run at least 2 full attendance meets, one just before Xmas to include free drink for delegates and one at some time after new year.

5.2. JR submitted an idea about handicapping, it was agreed that this be formally clearly described and put to the full meet before Xmas as a proposal to be included in the AGM.
